

6th Annual *Waves & Wishes* Sponsorship Opportunities

5K Run/Walk Benefiting the
Make-A-Wish Foundation[®] of South Carolina

Our mission is to grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy.

INTRODUCTION

Waves & Wishes is a 5K run and walk that has quickly gained popularity statewide and continues to be a favorite throughout the running community. Last year we raised over \$30,000 and attracted more than 500 participants. This year we hope you will join us to celebrate the 6th annual milestone event of raising funds and awareness for the Make-A-Wish Foundation® of South Carolina. The mission of the Make-A-Wish Foundation is to grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy.

Since 1984, the South Carolina chapter of the Make-A-Wish Foundation has touched the lives of more than 2,000 children and their families by offering the thrill of a once-in-a-lifetime wish. The children we serve are faced with daily medical struggles, such as chemotherapy treatments and transplant surgery, when they should be enjoying a carefree childhood. We provide them with a life-affirming experience filled with hope and happiness that supports them during their illness, and often leads to long-term remission with the chance to enjoy a bright future.

By sponsoring this special event your company will have several different advertising and marketing platforms, including an opportunity for product sampling. Most importantly, you will deliver a message that shows you value philanthropic support within your community.
